

SpeechCare, Inc.
5989 Meadow Lark Lane
East Petersburg, PA 17520
(717) 569-8972 or Toll free (866) 569-8972

Dear Parents:

If you, your child or child's siblings are ill – excessive runny nose, coughing, fever, vomiting, etc. please cancel your therapy session. This will help to keep your therapist and other clients healthy.

If you need to cancel a session for health or other matters please contact your therapist as soon as possible. You will be given a blue folder today with your therapist's business card inside. This card contains SpeechCare, Inc.'s telephone number. You may leave a message at this number at any time. Your therapist will check her voice mail before coming to your home.

Thank you for your consideration. If you have any questions, please speak to your therapist or you may call the SpeechCare, Inc. office at the number listed above.

Sincerely,

Roberta T. Kornfield, M.S., CCC/SLP
President
